

Stellar Music School

Thank you for choosing Stellar Music School for the musical education of your child. We pride ourselves on delivering excellent, inspirational and fun music education.

Our tutors have current Working with Children checks.

Our tutors are all professional musicians who are passionate about what they do. On occasion, they will have their own gigs which may cause them to be unavailable for a specific week. If this occurs, they will make it up in the same week, or we will arrange for a replacement teacher.

In order for us run on time, we ask that you are prepared for lessons, and have all books and equipment ready for our arrival.

We are unable to make up cancelled lessons. Please advise of absences before term begins.

Our lessons run in alignment with the State School term.

Lessons will be invoiced at the end of Week 1, with payment for the term due by the end of Week 5. Thereafter each week will incur a \$20 fee. We ask that invoices be paid promptly, and that at least one month's written notice be given before termination of lessons.

A parent must be in the home at all times during the lesson.

Our teachers are not to be responsible for the care of any additional children.

The lesson must be in a central room (not a child's bedroom), with limited distractions (no TV, etc).

Please respect the health of our tutors.

If your child is too sick for school, then they are too sick for music.
